Global Satellite Messenger & Tracker

ACR Bivy Stick: Enterprise Satellite Connectivity

The ACR Bivy Stick is more than just a satellite communication device; it's an investment in your team's safety and business continuity. It's the assurance that when the unexpected arises, you'll be ready to respond, recover, and keep moving forward.

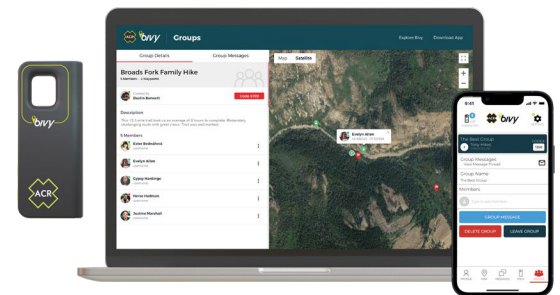

Our new pre-paid plans are designed specifically for companies who need always-on, reliable satellite communications. With a Bivy Stick prepaid plan, you can:

- Stay connected during emergencies and natural disasters.
- Ensure business continuity even when traditional networks are down.
- Get peace of mind knowing your team is always within reach.

\$499

Add SkyRouter Tracking to
Unlimited Plans for \$199/year

Seamless Satellite Messaging

Stay connected globally with dedicated SMS and email via satellite. Share real-time GPS updates and messages.

Global Satellite Coverage

Reliable global coverage powered by the Iridium satellite network ensures connectivity from anywhere.

24/7 Safety Assurance

Access emergency services with 24/7 monitoring. Activate help using the SOS button on the Bivy Stick or the app.

Team Connectivity with GroupTrack™

Manage up to 12 Bivy Sticks, group chats, and location tracking. Even remote team members can join via the group web page.

Off-Grid Weather Updates:

Stay informed with comprehensive weather reports, ensuring readiness for all conditions.

Universal Mounting

Secure placement for diverse enterprise operations, from fieldwork to remote deployments.

Pre-Paid Plan Benefits

Become part of a network of like-minded businesses who prioritize preparedness and choose Bivy Stick for their critical communication needs.

- **Cost-Effective Preparedness:** Bivy Stick prepaid plans offer significant cost savings compared to traditional emergency communication solutions.
- **No contracts or hidden fees:** Enjoy the flexibility of prepaid plans with no monthly commitments.
- **SkyRouter Tracking Solutions:** Monitor the location of your assets and ensure the safety of your lone workers.
- **Integration with Existing Systems:** Utilize our API and SDK for seamless integration with your current communication frameworks.
- **Web Portal Management:** A centralized hub for managing all your Bivy Sticks.
- **Dedicated Customer Support:** A specialist team for assistance tailored to your Bivy Stick communication needs.

PLAN TYPE	PRE-PAID YEARS	PRICE	CREDITS	ADD'L YEARS (EA)	GROUPTRACK™
